Flint Hill Cemetery Association – waiver of application fees

BACKGROUND:

Madam Chairman, the Flint Hill Cemetery Association has contacted me informing me of their plans to file a Special Permit and Variance applications to expand the cemetery. The historic Flint Hill Cemetery, established in 1875 and located in Oakton, is maintained by the nonprofit Flint Hill Cemetery Association. The cemetery has operated for 138 years as a public benefit to our community and its future independent operation will continue to rely on the dedication of the volunteers that serve on the Flint Hill Cemetery Association Board. The association is diligently working to preserve cash reserves and manage the long term financial stability of the cemetery. To that end the association has requested a waiver of application fees.

MOTION:

Madam Chairman, since the association is working diligently so as not to become a burden to Fairfax County, I move that the Board waive the special permit and variance application fees pursuant to Zoning Ordinance Section 18-106 for “good cause shown.”

This motion shall not be construed as a favorable recommendation by the Board on the proposed applications, and does not relieve the applicant from compliance with the provisions of any applicable ordinances, regulations or adopted standards.
